9. How did you hear of this program, and the opportunity to apply?
10. Could you give up your "extra" car for approximately 9 weeks? (*Check one*)
☐ Yes
☐ No
11. Could you keep a travel diary for 12 weeks, including 3 weeks of tracking your normal driving habits? (*Check one*)
☐ Yes
☐ No
12. Could you start in late August or September 2002? (*Check one*)
☐ Yes
☐ No
13. Do you have vacation plans (of a week or more) in August, September, October, November, or December? (*Check one*)
☐ Yes
☐ No
14. If you do have vacation plans (of a week or more), what are the dates as best you know at this time? (*Example: October 20th – 27th*)
15. How many people are in your household?
16. What are their ages? (*Example: 31, 30, 14*)
17. How many have a driver's license or are able to drive alone? (*Example: 3*)

18. How many cars does your household own?

What year/make/model are they? *(please list them as follows)*

19. Car "0" - the one you will "give up" during the study: *(Example: 1996 Plymouth Colt)*

20. Car 1 – one that you would continue to drive during the study: *(Example: 1996 Plymouth Colt)*

21. Car 2 – another one that you would continue to drive during the study (if applicable):
(Example: 1996 Plymouth Colt)

22. How do you think you'll get around with one less car?
(We'll give you more information to help with this when the study starts)

23. Why do you want to participate in this demonstration project?

The following question is optional. We are interested in this information to help us understand how much the financial benefits of owning "one less car" relate to income levels.

24. My household's total average income per year is: *(Check one)*

- ☐ \$0 - \$19,000
- ☐ \$20,000 - \$34,999
- ☐ \$35,000 - \$49,999
- ☐ \$50,000 - \$74,999
- ☐ Over \$75,000
